## ABOUT MYSELF

I am a motivated and reliable professional who enjoys learning new skills and taking on fresh challenges. With strong adaptability and a solid work ethic, I can work independently while also collaborating effectively with others. I value clear communication, problem-solving, and building positive relationships in the workplace.

## WORK EXPERIENCE

### QCS - QUALITY CONSULTING SERVICES – BAKU, AZERBAIJAN
**Website** https://qcs.az

### .NET DEVELOPER – 06/01/2021 – CURRENT

- Designed and developed RESTful APIs for HSE & Quality Management Systems using .NET Core and C#.
- Ensured software compliance with ISO standards for occupational health and safety.
- Worked with MS SQL and Entity Framework to manage relational data effectively.
- Participated in Agile ceremonies, including sprint planning and daily stand-ups.
- Wrote unit tests to ensure code quality and reduce production bugs
